

LEARNING ALLY PROFESSIONAL LEARNING SERVICES

Professional Learning that Empowers Every Educator to be a Literacy Leader

Learning Ally offers a suite of **Professional Learning Services™** that combine passionate, expert facilitators, research-based workshops, strategic coaching, and hands-on communities of practice to build educator capacity and expertise in literacy instruction in order to help new and struggling readers achieve improved reading and learning outcomes.

PRODUCT-FOCUSED PL WORKSHOPS

Workshops that strengthen educators' instructional capacity by understanding how to incorporate Learning Ally's solutions into their classroom.

PRACTICE-FOCUSED PL WORKSHOPS

Workshops that address specific topics, such as Dyslexia and Brain-Based Literacy. Examines best instructional practices and provides strategies educators can immediately put into practice.

INSTRUCTIONAL COACHING

Up to 2 hours of targeted 1-on-1 coaching, delivered in 30-minute increments, to discuss strategies shared during a PL Workshop or Community of Practice.

COMMUNITIES OF PRACTICE

A program blending on-demand, instructor-led, and discussion-based learning that engages educators and elevates their instructional practice. It provides opportunities to collaborate and benefit from colleagues' expertise and refine and apply their learning directly in classrooms.

SPOTLIGHT LEARNING SERIES™

A series virtual professional learning events for educators of all levels, grades taught, and practical concerns. Anchored by our annual Spotlight on Dyslexia event, with three additional events focused on specific topics presented on a smaller scale.

LEARNING ALLY EDUCATOR COMMUNITY

An online community for educators to network and learn literacy instructional strategies, tips for incorporating Learning Ally's solutions into their classrooms, and more training, workshops, community, and events.
