VENDOR CODE 131659345

NYSTL software funding can be allocated for your purchase.

Turn Struggling Readers into Grade Level Achievers.

The Learning Ally Audiobook Solution™ is a multi-sensory reading support that provides equitable access to your curriculum in a format struggling readers can easily absorb. Featuring the largest library of human-read audiobooks with read-along highlight text, it is proven to double a student's reading rate in as little as 50 days.

Get Students Excited About Reading While Developing Foundational Skills.

Excite Reading™ helps emerging readers bridge the gap between decoding and reading comprehension with a library of rich, engaging e-books, carefully designed lessons that holistically build vocabulary and background knowledge, support for social emotional learning, and more.
