

# IMPLEMENTATION OWNER QUICK START GUIDE

## Getting Started with the Learning Ally Audiobook Solution is as easy as 1, 2, 3!

### STEP 1 Understand the Learning Ally Audiobook Solution

The Learning Ally Audiobook Solution is a proven-multi-sensory reading accommodation. Composed of human-read audiobooks, student-centric features and a suite of teacher resources, it's designed to help [students with reading deficits](#) become more engaged learners and achieve their academic potential. [Watch this video](#) for a quick reminder about the power of human-read audiobooks to help students achieve their potential.

### STEP 2 Log-in to [learningally.org](https://learningally.org) to assemble your team

Successful implementation is easy when you have the right team. Each member should review their own "Quick Start Guide" to know exactly what to do:

- Designate at least one **Administrator** per school to help you set-up for success, engage families and stay on track
- Designate at least one **Data Manager** to create accounts for all educators and eligible students
- Designate **Instructors** to create accounts and provide eligibility for eligible students.

### STEP 3 Manage your goals

- Ensure Educators have accounts and are prepared to implement the Learning Ally Audiobook Solution
- Ensure [Students are added](#), [devices are ready](#) and students know how to [log in to the app and read](#)
- Ensure [parents are engaged](#) and know how to support their children reading at home.
- [Set goals and monitor reading progress](#) so your team can help students build reading stamina and build the habit of reading.
