

THE NATION'S LARGEST LIBRARY OF ACCESSIBLE EDUCATIONAL MATERIALS

- A research-proven program
- The world's largest human-read library of audio textbooks
- K-12 and college-level curricula from key textbook publishers, plus popular and classic literature titles
- Extensive collections in science, math, language arts, social studies, foreign languages, fiction, test prep and more

Learning Ally/North Carolina-Funded Membership

The North Carolina Department of Public Instruction has provided funding for a limited number of eligible K-12 public and charter school students to access Learning Ally's library of human-read audiobooks. Learning Ally is a nonprofit edtech solution proven to help students who are reading below grade level succeed.

Membership includes:

- Unlimited human-read audiobooks with Lexile level search filters
- Educator portal with reading data dashboard to progress monitor
- FREE reading app to play books on Macs, PCs, Chromebooks, Apple and Android phones and tablets
- Multisensory accessible technology designed to support students with VOICEtext™ word highlighting, variable speed control, note-taking and more

Access is provided first come, first served and enrolled students should have a book downloaded and reading activity. Non-active students prevent others from participating in this limited program.

For additional information, contact your district modified textbook coordinator or your exceptional children's department.
