## Summer Reading Together Packet

## Grades: 6-8

Learning is not just for the classroom! Use the following activities to add reading to your summer and have fun reaching your goals. Complete each step and earn your certificate! Learning Ally has lots of book selections to keep you reading.

Participate in the Summer Reading Together Program to win prizes and share your success! Four students win each month and four win at the end of the summer for overall reading across June, July and August. Monthly prizes include a $\$ 25.00$ digital gift card! End of summer winners also receive a $\$ 50$ digital gift card. Top students who read the most pages or who have the most days spent reading 20 minutes or more will win!

You can use this packet to read all summer. Print extra copies of activity pages that you want to use for more than one book. Your family can help you use these activities to share on social media.

## Step 1: Pick a book

Summer is a great time to read!! Start by picking a book that looks good to you. It is a good idea to pick a couple of books in case you don't like the first one you try. Keep trying until you find one you like.

See the next page for some recommendations to get you started!

## Step 2: Set a goal

The best way to become a good reader is to plan to read as often as you can. You can start slow and then work your way up to more reading as you get stronger. You can aim for a certain number of minutes or pages each day. Think about the best days and times that you can read. Make sure you pick a comfy spot and have a snack!

You can update your goal every month:

## Month 1 Goal:

I will read for $\qquad$ minutes or $\qquad$ pages on these days:

Sunday Monday Tuesday Wednesday Thursday Friday Saturday
(circle every day that you will read)

## Month 2 Goal:

I will read for $\qquad$ minutes or $\qquad$ pages on these days:

Sunday Monday Tuesday Wednesday Thursday Friday Saturday
(circle every day that you will read)

Month 3 Goal:

I will read for $\qquad$ minutes or $\qquad$ pages on these days:

Sunday Monday Tuesday Wednesday Thursday Friday Saturday

## Step 3: Prepare

A good way to help you read well is to prepare before you read. Before you start your book, think about what you already know and make some predictions. As you read, gather evidence to support or refute your prediction. As you finish your book consider whether your prediction was accurate or not. Use the below framework to track your prediction:

Book Title: $\qquad$
Author: $\qquad$

## Step 4: Create

Use any of the following activities to help you learn while you read:

## Character Map

Purpose: To assist students in the identification and analysis of the character traits in a literary work using text support.

Instructions: Use this graphic organizer to identify character traits as you progress through your book. Review the below example and then complete your own character trait map for a character in the book you are reading.

Example:

| Title: | Alice in Wonderland |
| :--- | :--- |
| Author: | Lewis J. Carroll |

| Feelings <br> Alice felt bored so she had an adventure. After that she was scared and confused. | Description <br> Alice is a blond girl with a blue dress and a white apron. |
| :---: | :---: |
| Name: Alice |  |
| Behavior <br> Alice was very curious and had many adventures with the white rabbit. | Personality Traits <br> Alice was mannerly, cheerful and curious. |

## Literary Elements:

The author uses many different elements to help make the story more engaging. A few elements that are used often in the story are simile, metaphor, symbolism and imagery.

1. Imagery: The use of sensory words to paint an image in your mind. For example:

- The gushing brook stole its way down the lush green mountains, dotted with tiny flowers in a riot of colors and trees coming alive with chirping birds.

2. Simile and Metaphor: Comparing two distinct objects to something else. Simile uses "like" or "as". A metaphor describes without using "like" or "as". For example:

- "My love is like a red, red rose" (simile)
- He is an old fox; very cunning (metaphor)

3. Symbolism: Something (a word, action or event in the story) that represents something else. For example:

- A red rose represents love
- A dove represents peace.

Find examples of each literary element from the book you are reading and include them in the below chart:
