

Name:

## I Survived The Battle Of D-Day, 1944

Grades 4-5

Use the timeline below to write and draw about the most important events of D-Day.

The form consists of a central vertical black line. On either side of this line, there are four empty rounded rectangular boxes. Each box is connected to the central line by a small black dot and a short horizontal line. Below each box are two horizontal lines for writing.
