

WHOLE CLASS

Introduction lesson over the concept of a magician's hat.
Bring in a hat as a physical prop.

Prompt questions:

1. Have you ever seen a magician use a hat for his magic tricks?
What happened?
2. Would you like to have a magician's hat?
3. What would you want to come out of it?

DIVIDE THE CLASS INTO 2 GROUPS

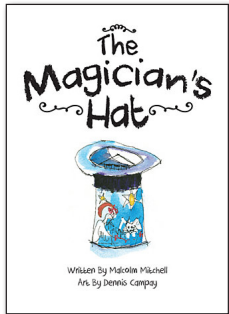

GROUP 1

Teacher reads from the "The Magician's Hat". Discuss the main idea from the book. Did you learn anything new about the way the hat performs?

GROUP 2

Students listen to "The Magician's Hat" using the Learning Ally audiobook. Once the book is finished, they discuss what would come out of the hat for each other.

Groups Rotate

WHOLE CLASS

Students write in words or pictures.

- Based on how the magician's hat was used in the book
 - What would you say you would want to come out of the hat?
 - What would actually come out of the hat?
