

2019-2020 School Calendar

Start Off Right Each New School Year!

Each year on August 1 Learning Ally systems restart and educators must update students. Check off key activities, like updating and adding eligible students (at least 20%) and monitoring reading data on your dashboard.

Experience the new dashboard to monitor your students reading achievements and empower students to become engaged learners! Just complete our quick needs analysis questionnaire and confirm your profile to get started. You'll also get access to our *NEW* customized resources just for you! Log in today!
