

# Student Orientation Sessions

## Great Reading Games 101

Students will walk away from this Learning Ally session with hands-on knowledge of using the Learning Ally Audiobook Solution. As a group, we will explore how to search for age-appropriate books, add them to bookshelves, and begin reading. Students will set reading goals around reading using Learning Ally. After this session, attendees will be motivated to dive into books and reach their reading goals. **Send your kids to this session to prepare them to compete in this year's Great Reading Games!**

**For this session, students must have a Learning Ally Login and know their username and password. Session facilitators will not be able to assist with retrieving student login information.**
